TRACKLESS TRAIN RIDE

Trackless Train Ride: Choo Choo! All aboard! Train rides are magical for little kids! They also serve as the best tram ever for large events! We've sent our trackless train to dozen's of parades, large events, and holiday shopping centers! Santa or Uncle Sam look great on a train! Many pay to plays count on our trains twelve person capacity to make money for them. Trains are a definite must for events. The train is agile, and can go on any smooth paved, packed gravel or earth surface. It's quick, but can stop on a dime, it's agile and can maneuver easily and it's fun! Trackless trains can come with a conductor or save money and provide your own. We are already book our train for next years summer festivals! If your event is train themed, consider adding our train conductor living statue and our train station obstacle course! Next stop... Cincinnati!
